Learning Management System:

The Miele Learning Management System is the central platform for all forms of learning at Miele (e-learning, on-site training, events and presentations, virtual classrooms,...) Staff members, specialist dealers, partners and end-users are given fast, flexible, password-controlled access to current product information, e-learning modules and vocational training content from Service, Sales and Personnel from any location with internet access.

Step 1: Login

Miele

Log in Miele Partner

Miele Headquarters of Germany
Miele Learning Management System

In keeping up with the ever changing environment and the increasing competition in our industry, superior service and product knowledge become crucial to set you apart from the competition.

Please log in and experience our 'Forever Better' approach to training. We will provide to you with accurate and up-to-date information, designed to help you work productively and continue to support our premium appliance brand at the highest possible level.

You will be able to select from a variety of courses focused to your specific needs. In addition, you'll be able to view your training history, from the day you've completed your first course ensuring your knowledge is always up to date.

Try one course or take all the courses you decide.

If you are visiting our system the first time we recommend our short [Quick Reference Guide \(PDF\)](#) for your first steps in LMS.

[Forgot your password?](#)

- Type in your username.
- Your password
- and log on.

Click „Forgot your password“ whenever you need a new password.

You are informed via Email about next steps.

Click the underlined link on the left to login.

Step 2: Navigation

Miele

Home

My Dashboard

Catalog

My Learning

My Current Activities

My Learning Plans

My Training History

My Calendar

My Registered Interest

Job Role Profile

My Communication

Global News

You will find the Navigation of the LMS to your left.

Select „My Learning“ and „My Current Activities“ in your Sidebar to continue.

Learning Management System (LMS):

Learn how to login the LMS

We strongly recommend that you complete the LMS Introduction Course to get a complete overview about all your possibilities in the system to get all benefits.

Step 3: Start the LMS Module

The screenshot displays the Miele Learning Management System (LMS) interface. On the left is a navigation sidebar with the Miele logo at the top, followed by links: Home, My Dashboard, Catalog, My Learning (with sub-links: My Current Activities, My Learning Plans, My Training History, My Calendar, My Registered Interest, Job Role Profile), My Communication, and Global News. The main content area has a red header with the Miele logo and a 'Welcome' message. Below the header is a table titled 'Current Activities' with columns: Course/Class Title, Type, Start Date, End date, Status, Due Date, Signature required, Notes, and Action. The first row shows the 'LMS Introduction Course' with a status of 'Not Started'. A callout box points to the 'LMS Introduction Course' text. Another callout box points to a green play button icon in the 'Action' column, with the text 'Start the course here.' Below the 'Current Activities' table is a 'Certifications' section with a table header: Certification Longname, Awarded Date, Expiry Date, and Print. It states 'No Certifications Assigned' and includes a legend: Red - Certification is not valid, Green - Certification is valid.

Course/Class Title	Type	Start Date	End date	Status	Due Date	Signature required	Notes	Action
LMS Introduction Course		Open	Open	Not Started	-			

Certifications

Certification Longname	Awarded Date	Expiry Date	Print
No Certifications Assigned			

Legend

- Red - Certification is not valid
- Green - Certification is valid

You will find a course here to learn more about the LMS.
